

Playback Vendor Information / Application

Playback is a vendor market featuring music media, vintage clothing, art & more. We are looking for vendors who have curated vintage and/or handmade goods or art. We strive to create a fun, welcoming environment for everyone to shop, enjoy music and food. We are at a new location this year, and excited to be hosting Playback at Renningers in Kutztown. Playback will take place under the pavilion right outside the Antique and Farmer's Market, where hundreds of people come through every Saturday. We'll have more space and a larger audience than previous years!

Date: Saturday July 8, 2023

Time: Set up 7:30-9:00 am, open from 9:00 am-4:00 pm

Address: 740 Noble Street, Kutztown, PA 19530

Vendor fee: \$50 for per 10x20 ft space

Under cover, 2 tables included. Vendors may supply their own extra tables, chairs, and displays. A 10x10 pop-up tent can fit under the pavilion. Additional tables may be rented for \$10 each. Easy load in and out; each vendor may park behind their allotted space.
